To: Mark Scida and the SnowLog Team:

I take this opportunity to thank you for the outstanding snow and ice maintenance service you have provided us. As one of Canada largest recyclers we have many trucks in and out of our facility every day. This requires our yard to be clean and salted as soon as snow hits the ground. Snow Logic has done an exceptional job to ensure our yard is safe for our employees, customers and suppliers.

I would highly recommend Snow Logic Inc for all time sensitive high volume snow removal and salting requirements.

Best Regards,

Enzo Maggistro
